Paper Merchandise & SOS Bags

SOS bags (self-opening sacks) are available in stock in both kraft and white. SOS bags have a flat bottom and come in a large range of sizes.

Paper merchandise bags are available in colors with a premium finish. They are available in popular colors and sizes and will enhance your stores image.

Paper merchandise bags are also available in an economy line made of recycled paper with random patterns. When ordering this line for the first time have our sales staff help you decide if these merchandise bags are best for your store.

Paper merchandise bags are stocked in both flat and side-gusset sizes.
